

**PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED**

WE, THE UNDERSIGNED RESIDENTS OF CANADA, draw the attention of the House to the following:

THAT there is absolutely no merit in producing and distributing pornographic media in Canada;

THAT there are many negatives resulting from pornography, to the producers and actors that are used for this purpose, and to the users of pornography;

THAT there is virtually always an organized crime connection to the production of pornography;

THAT pornography is harmful to our society, and

THAT the CRTC has recently approved a pornographic channel for Canada.

THEREFORE your petitioners call upon Parliament to enact legislation which would make the production and distribution of explicit pornographic media illegal in Canada.
